Trying to hide that you actually wants to

***sarcastic* dont forget to thank your mommy**

Jealous, because there is no one to take care of you

He haven't eaten anything today yet

So youre not only stupid, but blind as well?

Attacks first, to not be in vulnerable position

You eat this every day, anyway! have a pause, fatty!

trying to make the other feel bad because of their good relationship with parents

youre a generator of delusional crap

He knows you're right

Then bring more next time!

jokes are the way to hide your emotions

Alright yeah, I'm hella hungry

Okay you're getting on my nerves already, I will make sure I do

taking a step back

list, it will cost you 10
euro**

**So you want to fail
this subject...**

**Buzz off you and your
money!**

You actually can't afford it

***hesitating/angry*

falling behind, and I
dont have no other
choice..**

for once trying to be honest

**According to my price-
list, it will cost you
one punch**

Trying to hide your vulnerability with
physical threats

lol, whatever ..

**I offer you 5 euros
AND I will not touch
you for the rest of the
day**

This is your way to hide your vulnerability
with physical threats

**who the hell even
“wants” to fail some-
thing?**

So am I punching you?

suprised, somebody at school is able to talk back. It happens only at home

You wont touch me anyway after i talk with inclusivity office.

you know you're in trouble, trying to make him feel bad for asking for help

No, bonehead! I do!

So youre that type of person to talk on others? Filthy loser.

Where do get this audacity from?

Wow, so brave of you to run straight to authorities

Haha! That is actually funny.

Huh! All the languages and you chose speaking facts

**That's not true, but
I know for sure that
you still do**

**Yeah, watch yourself
first**

Keep silence

too shocked to react, choosing the safest
option

**I don't understand
what you are talking
about**

Who told you that???

attacking is your way to hide embarrass-
ment

**All i can hear is just
blah blah**

**How cute, you're trying
to talk back to me**

desperately trying to "keep it cool"

**Are you trying to pro-
voke me??**

oh, no way someone talked back to you!

Ha! So thats true?

Actually that is normal people do – having a dialog.

Listen you, little stinky rat, if you ever again bring this up...

you think that threats is the best tool of control

Is that “normal dialog” in the same room w with us, weirdo?

trying to hide your real desire to have, for once, dialog on the same level

you know that is true?! Earth is spinning around the sun.

Turns everything to a joke to not face consequences

Im not sure what is “normal dialog” though.

you're breaking your character

Gotcha! No. Going back to the topic,...

trying to “keep it cool”

for such a cocky prick its normal to shut up

attacking is your way to hide embarrassment

**I mean that Its not

**You can't talk to me
like that**

**Okay, but where can I
find it?**

I can and I will

**What help?! I am per-
fectly fine**

afraid to look in the eyes of truth

**I'm the one who sets
rules**

still imagining yourself in superior posi-
tion, desperately holding to that illusion of
control

**I don't want help, I
can deal with it my-
self**

you think, if you ask for help - you're a
weak loser. that what you were told for
your whole life

**Are you the one who
is telling me how to
talk?**

still imagining yourself in superior posi-
tion, desperately holding to that illusion of
control

**No, I am trying to have
a normal conversation

aren't considering each other on equal
position

**Well, maybe I wanted
to...**

**What makes you think
that I want to talk
with you?**

desperately tries to "keep it cool"

**Uh-oh, so scary! Be-
ware, I also can tell
MY parents**

**I'm only polishing my
technique on you.**

Run.

**Yeah?! The only
thing you can do is
to babble! Lets get
to the topic *rolls up
sleeves***

***He pushes you and
you fall on a floor***

***smirks* Don't play
